

## After School Art Program

Due to the interest in keeping this program going for the rest of the school year, I thank you and look forward to seeing your children attend. We had as many as 15 students the last 8 weeks ranging from kindergarten to 9<sup>th</sup> grade. We completed a 3-D version of a Picasso piece, did our own free draw sessions, made the large poster Thank You for Carrabbas providing lunch for the Veteran's Day event. We even did an oil pastel follow along the last day and framed it for our parents. Attached please find a new permission slip for the next 8 or 16 weeks. I look forward to continuing our artistic adventures after school on Thursdays, from 2:45pm to 3:45pm.

Thank you, Mrs. Cross
